Community Reviews. Sufi favoritism aside, Chittick and Murata do a good job of covering the basic theological tenets of Islam and critiquing the modern problems in thought and scholarship of the religion. A great read, comprehensive and complex. Avoids buzz words and stereotypes to uncover Islam as a system of belief, not a political identity.

The Vision of Islam by William C. Chittick - Goodreads

The Vision of Islam. Something is lost when Western thinkers approach Islam. They seem to see the religion in historical and cultural terms, obscuring Islam's own internal logic and its true beauty and spirituality. This clearly written introduction to Islam changes that, vividly explaining the Islamic perspectives that have rung true for Muslims for nearly 1400 years.
