A prophecy is a message that is claimed by a prophet to have been communicated to them by a god. Such messages typically involve inspiration, interpretation, or revelation of divine will concerning the prophet's social world and events to come (compare divine knowledge). All known ancient cultures had prophets who delivered prophecies.

To understand the Bible and Bible prophecy you first need to understand who the Bible is about. And here's a big hint: the who isn't you (or me). We're minor characters in it. The entire Bible was written because sin entered creation. And because sin entered creation, a perfect God had to deal with this aberration one way or another.
