1. Possible Worlds and Modal Logic. Although 'possible world' has been part of the philosophical lexicon at least since Leibniz, the notion became firmly entrenched in contemporary philosophy with the development of possible world semantics for the languages of propositional and first-order modal logic. In addition to the usual sentence operators of classical logic such as 'and ...

The Free Worlds League was one of the five Successor States of the Inner Sphere. The oldest of the Successor States, it was also the most democratic, although for much of its history it was ruled under martial law by a Captain-General. This post was almost always held by a member of House Marik, descendants of Austro-Hungarian nobility, by custom if not by law.
