Well Witched Frances Hardinge

Frances Hardinge is my favorite author. And that is saying a lot. Every time I read one of her books I become completely immersed in her world. Her writing is so vivid and so deep, for lack of a better word. In Verdigris Deep (no, it is not called Well Witched. That title and that cover are abominations.) each character is flawed and complex.

WELL WITCHED by Frances Hardinge | Kirkus Reviews

Well Witched Quotes by Frances Hardinge - Goodreads

Well Witched turned quickly from *just* an adventure to an intriguing story about right and wrong, secrets, choices and consequences. It is a fun read, but it has more depth than its premise might suggest. Overall, the story seems to be a cross between a Grimm's fairy tale and an Aesop's fable.
