They say that trends are circular and what's old becomes new again. This is true for fashion, music, and art. In the case of architecture, there's no architectural style that exemplifies this principle better than Brutalism. From the mid-20th century, this style rose in popularity before reaching its peak in the mid-1970s, when it came crashing down as a model of bad taste.

What Is Brutalism and Why Is It Making a Comeback?
