StartX, a nonprofit startup accelerator, recently devoted an entire day to the role of design in early-stage companies. One panel included Laura Klein, Todd Zaki-Warfel, Christina Wodtke, and Mike Long. Each panelist had made their mark on how design is done in start-ups: Laura wrote the influential O'Reilly book on UX for Lean Startups, and ...

True North refers to what we should do, not what we can do. It is a term used in the Lean lexicon to describe the ideal or state of perfection that your business should be continually striving towards.

### **A Lean Journey: What Do We Mean By True North?**

Lean manufacturing or lean production, often simply "lean", is a systematic method for the minimization of waste (無駄 muda) within a manufacturing system without sacrificing productivity, which can cause problems. Lean also takes into account waste created through overburden (過負荷 muri) and waste created through unevenness in work loads (不均 mura).
