DOES GOD SPEAK TO MEN TODAY IN DREAMS AND VISIONS? by Cooper P Abrams III The question arises often as to whether God in this the dispensation speaks to men directly in dreams or visions?

Does God Speak to Men Today in Dreams and Visitations?

Many people were given visions of the future during their near-death experience (NDE). Generally, these visions foretell a future of catastrophic natural disasters and social upheaval leading to a new era of global peace and enlightenment.

In order to both enable and ensure the development of the mobility system there are a number of well-defined areas in which governments intervene today which are set out in Table 1 (drawing on Shaw et al., 2008, Bache et al., 2015 and Gray et al., 2017). These are clustered into three broad headings of 'public policy', 'market failure' and 'investment as policy'.

Quantum science tells us that there is not a flat line running from the past to the future. This is the view of most people, but it is based on the old science, and is no longer true. Einstein has proven that time is not fixed, it expands and it contracts. And, time has a vertical dimension.

Manifesting Alternative Realities by Shifting Timelines

It is appropriate that Star Trek – which frequently asks us to think about the role technology plays in our society – would help revolutionize home entertainment. Star Trek II: The Wrath of Khan was used as an experiment a few years before Star Trek IV to see if audiences would pay money to purchase tapes instead of merely renting them (see our previous article on this history).

When Star Trek IV Voyaged Home

For those of us who understand why the United States faked the moon landing of 1969 and why the Chinese and the Japanese and other nations fake moon and space missions today, it is very disconcerting to see an explosion in the bubble of fabricated reality as grandiose and egregiously brain damaging as the wealth gobbling fakery of a possible United States Space Force.
