Economics (/ ɛ k ə ' n ɒ m i k s, i: k ə -/) is the social science that studies the production, distribution, and consumption of goods and services.. Economics focuses on the behaviour and interactions of economic agents and how economies work. Microeconomics analyzes basic elements in the economy, including individual agents and markets, their interactions, and the outcomes of interactions.

Economics - Wikipedia

Money is any item or verifiable record that is generally accepted as payment for goods and services and repayment of debts, such as taxes, in a particular country or socio-economic context. The main functions of money are distinguished as: a medium of exchange, a unit of account, a store of value and sometimes, a standard of deferred payment. Any item or verifiable record that fulfils these ...

texasd2advocate asked: My teacher hasn't taught us how to do any of the written portion of the exam or shown us any multiple choice questions. Is it too late? I don't think it's too late, but obviously, you might have to work a little bit more than others. Try to get a prep book for the new APUSH test (perhaps check if any libraries have it?) and do a practice test.

How to APUSH
