World After (Penryn & the End of Days, #2) Book Discussion

The dawn light etches the grief lines on my mom's face while the rumble of the engines vibrates through my limp body. We're part of the Resistance caravan. Half a dozen military trucks, vans, and SUVs weave through dead cars away from San Francisco. On the horizon behind us, the angels' aerie still smolders in flames after the Resistance strike.

After the enormous success of AMP in Chicago over the past 8 years, it has become clear that the education offered at AMP does not exist elsewhere around the globe. In order to support the global fight against CLI, it is a logical next step then to expand the meeting outside the US, first by bringing it to Europe.
