Organizing Your Compare and Contrast Paper. There are two primary ways to organize your compare and contrast paper. Chunking: placing all of the information for each individual subject in one place (chunk), and then using similarities as transitions. Here's a sample outline:

Types of Papers: Compare/Contrast - roanestate.edu

Our Community's Innovation Lab is where we seed ideas to do old things better or new things first.. Our founding aim in 2000 was to build stronger communities through stronger community organisations. We have done this by creating useful online tools and capacity building education and training at a price even the smallest not-for-profit groups can afford.
