Systematic theology is not biblical theology; but if it would be Christian, it necessarily must rest upon biblical theology. Therefore, this paper, aiming primarily to determine a Christian belief, will have the following structure: First, I will examine the Old Testament teaching on the image of God; then, I will examine the New Testament teaching about the image; and third, through an ...

In the English language, capitalization is used for names by which a god is known, including 'God'. Consequently, the capitalized form of god is not used for multiple gods or when used to refer to the generic idea of a deity. The English word God and its counterparts in other languages are normally used for any and all conceptions and, in spite of significant differences between religions, the ...

Why Is It Important? If the days of creation are really geologic ages of millions of years, then the gospel message is undermined at its foundation because it puts death, disease, thorns, and suffering before the Fall. The effort to define "days" as "geologic ages" results from an erroneous approach to Scripture—reinterpreting the Word of God on the basis of the fallible theories of ...
