Information Centers description goes here. Overview. Standards of Learning assessments in English reading, mathematics, science and history/social science are made up of 35-50 items or questions that measure content knowledge, scientific and mathematical processes, reasoning and critical thinking skills.

VDOE :: SOL Test Scoring & Performance Reports

Parents are more concerned about their child's progress in reading than in any other subject taught in school, and rightfully so. In order for students to achieve in math, science, English, history, geography, and other subjects, reading skills must be developed to the point that most of them are automatic.

How Can I Improve My Child's Reading? | Reading Rockets

Kids under age 6 watch an average of about 2 hours of screen media a day, primarily TV and videos or DVDs. Kids and teens 8 to 18 years spend nearly 4 hours a day in front of a TV screen and almost 2 additional hours on the computer (outside of schoolwork) and playing video games. Counting all ...

How to Limit Your Child's Screen Time - Becoming Minimalist

Teaching your child to read early and well has multiple benefits and is the key to your child's academic future. The main reason is that reading is at the heart of all formal education. Below are some of the many advantages of developing early reading ability in your child.

Benefits of Early Reading - Why Teach Your Child to Read?

How do you explain to your kids who say we don't want "our" stuff now, they want it later on in their life? I have been trying to sort through memories like their scrapbooks, childhood trophies, art pictures from every elementary year, etc., and they are upset with me saying they do not want to have to store these things.
