A scene transition takes characters and readers to a new location, a new time, or a new point of view. Transitions can also be used to show a character's change in heart or frame of mind. Transitions are important in fiction because the writer can't possibly portray or account for every moment in a character's day, week, or life.

Tenor Voice Type: Tenor, Range: C3 – B4. Tenor is the highest male voice type you will find in a typical choir. Though it is the voice type with the smallest range, it barely covers 2 octaves from C3 to B4, tenors are the most sought after choir singers for two major reasons. The first reason is that there aren't as many men singing in choirs to begin with.
