Best answer: American English is the de facto language in the United States. That means it is the language that in effect and actual is the official primary language. Proposals to make it the official language by law do get introduced and proceed through Congress. In order to become a law, you need to look up all of the details of the process.

Yahoo Answers Sign in Mail ☼ ... Update: My native language is not english but I learned it without even realizing it or trying. I grew up with videogames and internet and everything was always in english. Now if I switch to german on my videogames or PC I get frustrated because I don't understand anything and I actually care about the story ...

How to learn languages? | Yahoo Answers

Best Answer: Try Quenya, it's another Elvish language that Tolkien created, apart from Sindarin. Quenya's vocabulary and grammar are more well-developed than Sindarin, so it will be easier to learn and also to write in. I'm learning the language myself, and I've shown my writings to other people before, no ...

What are some obscure languages? | Yahoo Answers

I would like to become fluent in the following languages: Dutch, French, Lithuanian, Polish, and Swedish. What is / are the most efficient method(s) to go about eventually becoming fluent in all five? I am relatively young (20 years old), so I have a lot of time ahead of me. Would it be best to learn one at a time? Any advice you could give me would really help out and is appreciated.

I want to learn these languages ... - answers.yahoo.com

Yahoo Answers Sign in Mail ☼ ... Linguists will tell us that, as a rule, languages evolve slowly, over time. Which is true. We're living in a time of relatively (if I want to call it that) "peaceful" national relations, in the sense that, no imperial nation is going to impose its language on another nation, the way the Romans did, or the ...

Best Answer: In learning any language, there is no distinction in the best or the worst in its usefulness, no duration limit in how long it takes to be fully proficient, and no age limit in when a person can learn a foreign language. Also, regardless of the level of difficulty, it is not impossible for anyone to learn a new language, either by another person who teaches you or by self-learning.

What language should I learn next? | Yahoo Answers

Best Answer: It depends. If you live in US, I think you should learn Spanish, since it is "unofficially" the second language in the country. If you live in Canada, a proficiency in both English and French must be of your advantage, especially for employment. If you look for a job and you compete with other ...

Best answer: The more that you study any foreign language, the more you will understand that forms which seem strange to you are normal in that language. Never think of them as "weird" - just accept that people speaking other languages use different ways of forming their sentences. You will hold up your rate of progress in French if you bother to start thinking about those forms.

How many languages do you speak? | Yahoo Answers

My native language is a rhotic language so I think I know how that works (at least somehow) but I would like to ask for some help here since I am rather lost. Thank you. I have learnt to speak English with a British accent and I believe it would be beneficial for me to also know how to speak with an American accent.
