While Allan Gurganus is clearly a talented writer, there just isn't much compelling about these stories. Sure, it's an honest look at the real world issues of white people in the South - issues that don't always get discussed much outside of the privacy of homes - but there was very little that made me want to turn the next page.

White People Summary - eNotes.com

Gurganus here follows up his phenomenally successful debut—*Oldest Living Confederate Widow Tells All*—with a collection of 11 stories written over the last 20 years. They're a mixed lot, but the best of them, mostly about families or the South, display Gurganus's lush descriptive gifts as well as his prolix self-indulgence. Three stories about family members anchor the book.
