No matter how many years of experience you have under your belt, there are certain things that teachers should never do. Not only are the things on this list pushing the ethical envelope, they could also be damaging to your career. I'm sure Teaching readers could help make this list longer, but I've narrowed it to ten things I feel are important.

Question: "I am a Christian in debt. What should I do?" Answer: Debt is a common problem in our society, and debts have a way of growing faster than we expect. Sometimes credit cards are used to pay off medical debt, and then more credit cards are used to pay off the first ones, and—things can easily spiral out of control, especially when living on a fixed income.
