"The World Turned Upside Down" is an English ballad. It was first published on a broadside in the middle of the 1640s as a protest against the policies of Parliament relating to the celebration of Christmas. Parliament believed the holiday should be a solemn occasion, and outlawed traditional English Christmas celebrations.

Fact: The true center of the ball is lower after being thrown. The ball is coming down with gravity. Pictured above is a 90 mph fastball for your comparison. Note: The stationary middle of the ball (what most people think is the middle) will never lead to line drives over the infield. The bottom half of a stationary ball actually includes the actual middle of the ball.
