What is an art school application portfolio? In addition to meeting academic requirements, Art and Design Schools, Universities and Colleges typically require a practical art portfolio as part of the application process (this is often accompanied by a personal statement and/or an art school interview – more on this soon).

How to make an awesome art portfolio for college or university

A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).

The Lean Farm Ben Hartman. Read the press release here.. A practical, systems-based approach for a more sustainable farming operation. Using the words “factory” and “farm” in the same sentence may seem sacrilegious, but today’s young farmers like author Ben Hartman are discovering that the same sound business practices apply whether you produce cars or carrots.
