The Missing is a series of fictional young-adult novels written by Margaret Peterson Haddix. It tells the story of famous children from history stolen by futuristic time travelers from their place in time and accidentally sent to the 21st century as babies. They are then adopted by families in the 21st century. Because Jonah is one of the stolen children, he, along with his non-adopted sister ...

There's nothing quite like corrupting the innocent minds of kids, and science fiction is the best gateway storytelling out there. Yes, better than fantasy (and I've got my own well-read copy of The Silmarillion, so any haters can chill).. The books listed here are generally for kids aged from two to twelve, but the age ranges are just suggestions, and most of these are fun for adults to ...
