I've had this mower for a little over a year now. It has served me and my lawn well. A little backstory about why i chose to go with an electric mower: My weekly chore growing up was having to cut the lawn at my parents (1/3 acre); my parents had a craftsman mower which had powered wheels and ran on gasoline.

I took this photo last summer during a walk through the Brent Cross area, north of where we live. I'm posting it now because this building made news yesterday -- it was consumed by a huge fire.Apparently one person died. The fire closed the North Circular, which is a major highway running right in front of the structure.

Shadows & Light

Choosing your wedding music can be one of the most fun parts of the planning process, but it can also be time-consuming and overwhelming. There are many factors to consider, such as what tone you want to set, what songs you want to play during special events, and what music your guests will enjoy.
