What Is A Cultural Analysis

11 June 2019, 16:00-18:00 | University Theater From a land called the “Cradle of Civilizations” to one that is now described as “apocalyptic” and “one of the most dangerous places on Earth”, Syria may have no more critical moment than the current crisis to reflect on what is taking it down this terrifyingly dark path.

Netherlands Institute for Cultural Analysis - NICA

PEST analysis (political, economic, socio-cultural and technological) describes a framework of macro-environmental factors used in the environmental scanning component of strategic management. It is part of an external analysis when conducting a strategic analysis or doing market research, and gives an overview of the different macro-environmental factors to be taken into consideration.

PEST analysis - Wikipedia

The Taras et al. (2010) meta-analysis also found that preferences for leadership style varied by cultural value dimensions, including preferences for charismatic, directive, participative and inspirational leadership styles, with a particularly large difference regarding preferences for paternalistic leadership. The notion that preferences for leadership styles vary considerably by culture is ...
