1 They're brainwashed by their government. I'm an American I'm not brainwashed but most people are. They think that we're the best country and the land of the free and the land of opportunity, well we're not we are only the 20th most free country in the world, black people get killed by the POLICE for NO reason, and other countries like Canada and Japan have opportunity.

Canadian real estate related debt tapering? That would be ridiculous! Filings obtained from the Office of the Superintendent of Financial Institutions (OSFI) show, after a brief decline in January, the balance of loans secured by residential real estate hit a new high in February. More interesting is the segment of loans being used for personal consumption, is growing at the fastest pace in years.
