If you are not a musician or a composer you might not initially think yourself interested in it but if you are the sort of person that can be surprised and amazed at how far tech has come, I think you might be impressed.

#### **Reflections in a Petri Dish**

Readers of this blog know my passion for talking and writing about the Resurrection of Jesus Christ. So it should come as no surprise that the Risen movie will garner attention here. I have already reviewed the novel and written a lengthy non-spoiler review for Answers in Genesis after twice viewing an advance copy.. I have now seen the movie in the theater and talked to many others who have ...

Koop's architecture is recognized for its strong design and high degree of structural and spacial resolution. Stretton's furniture is playful, sophisticated, finely crafted and maintains an original and uniquely South African design identity. Koop has evolved between the workshop, the design studio and the building site.
