#### Walking In This World Julia

Plot synopsis. Julia is a young American woman living in Trieste, Italy who is widowed on her wedding day when her husband, Paolo, is killed in a car accident. Six years later, Julia still lives in Trieste and works full-time at a local tourist travel office. She still keeps in close touch with Paolo's mother and father, but is cold and distant to her co-workers at the office and refuses to ...

It started with a tweet. While basking in some geek nostalgia on twitter, I discovered that my first ever microcomputer, the Sinclair Spectrum, once had a Fortran compiler. However, that compiler was seemingly lost to history and was declared Missing in Action on World of Spectrum.. A few of us on Twitter enjoyed reading the 1987 review of this Fortran Compiler but since no one had ever ...

This is a topic that I have continual disagreements with faculty that has the ability to make executive decisions and plan course material. Education is an investment, every drop of it, and the especially big drops that we lap up in the formative years of our education in undergrad colour the tools we use and desire to use to a large degree.

Julia Sugarbaker was a refined Southern woman— intellectual, whip smart, feminine, and downright fearsome. On Designing Women, she was known for her blistering tirades on topics ranging from the first amendment to chauvinistic behavior to the real reason the lights went out in Georgia one night. She paired her pearls with a razor-sharp tongue and fiery wit that sent many of her targets ...
