The following is a list of zombie feature films. Zombies are fictional creatures usually portrayed as reanimated corpses or virally infected human beings. They are commonly portrayed as cannibalistic in nature. While zombie films generally fall into the horror genre, some cross over into other genres, such as comedy, science fiction, thriller, or romance.

Foo Fighters. When Foo Fighters released a debut album written and recorded entirely by leader Dave Grohl — at that point known only as the powerhouse drummer for Nirvana — in the summer of 1995, few would have guessed that the group would wind up as the one band to survive the '90s altrock explosion unscathed.
