Bacon Wrapped Green Bean Bundles. These are really easy to make, I served them as a side with Petite Turkey Meatloaf for dinner, but this would also make an elegant side dish for Easter dinner if you double the recipe. You can prep them ahead of time, then roast them just before serving.

@Ashley W that's a really good question actually. I'm not really sure how much wire I use per necklace, maybe a yard or two? Just a guess:) You should be able to find spools of jewelry wire at your local craft store. if there's 10 of you maybe get 20-30 yards just to be safe, always better to have some left over.
