Muay Thai punching bags, unlike more common boxing heavy bags, typically extend from head level down to near the floor. This is because Muay Thai fighters need to practice an assortment of kicks in addition to punches, and many of these kicks can be aimed at an opponents thigh, shin, side, or even head.

From an outsider's point of view, it is nearly impossible to fathom why a woman might return to an abusive relationship. While it seems logical that a woman would maintain her independence after going through the trouble of leaving, there are many things that might also compel her to return.

# Why do Women Return to Abusive Relationships? (with pictures)

You can note in the comments to the above tweet and others that he's actually receiving good advice from men, but he's choosing to ignore it.. I bring your attention to this event not to shame the young guy or girl, but to give you yet another data point at what modern men are being reduced to when it comes to their relationships with women.
