Summary and reviews of Waiting by Carol Lynch Williams

Waiting is a superb novel with lessons that many parents, especially Christian parents need to learn. Some of us will face a crisis with a daughter or son and we need to be there for them and with them. We need to use our wisdom and our life's experience to help them through the difficult times.

Waiting by Carol Lynch Williams, Paperback - Barnes & Noble

Waiting by Carol Lynch Williams is a contemporary young adult book told in verse. I liked the style/form the story took because there's just something heavy about a page where you know words are painstakingly chosen. The words actually have an effect, and it seems in this case that less is more.
