The one-state solution, sometimes also called a bi-national state, is a proposed approach to resolving the Israeli-Palestinian conflict.. Proponents of a unified Israel advocate a single state in Israel, the West Bank and the Gaza Strip, with citizenship and equal rights in the combined entity for all inhabitants of all three territories, without regard to ethnicity or religion.

One-state solution - Wikipedia

One Glass Solution is a touchscreen technology which reduces the thickness of a display by removing one of the layers of glass from the traditional capacitive touchscreen stack. The basic idea is to replace the touch module glass with a thin layer of insulating material. In general, there are two ways to achieve this.
