rename project folders and files. ... * Visual Studio updates the solution to point at the new directory ... * Visual Studio updates the project to reflect the new output file name * Visual Studio cleans the old files from the output dir if present.

rename project folders and files – Visual Studio
Visual Studio is not competent at renaming things. Assuming you're using git, clean the working folder to remove anything that's not in version control (this will help the search-and-replace step because it won't have to go through a bunch of generated files) git clean -fdx. Rename the solution file (.sln), the project folders, and the project ...

How to rename Visual Studio solutions and projects · GitHub
I can give you a suggestion which I think might work. Inside Visual Studio 2012 in solution explorer, find the file .vcxproj by opening all the nodes and seeing where it is. Then rename the file from there. Do the same for all other files of yours. After doing all this, your last task should be to change the solution name from inside the VS2012.

How to rename solution, solution folder, project folder ...
My Visual Studio 2013 solution has a project "Test". I can rename it in solution explorer, but I also want to rename the project folder in disk and also reflect the change in Source Control(TFS). H...

Rename project folder in Visual studio and Team foundation ...
Cannot rename files in Visual Studio. Ask Question 6. I cannot rename files in Solution Explorer any more, and I get no errors/dialogs. It just leaves the file with the original name. This also impacts folders (I can't rename them) and I also cannot cut/paste files & folders. Copy & delete work fine.
