### What Was Lost Catherine Oflynn

My son has the biggest anterior fontanel I have ever felt (I have felt thousands!!!!!). My pedi says he is not too concerned. I am not either, but my doctor does make me nervous by telling me he wants me to report ANY developmental lag to him right away. On one hand he is blasé, then he turns around and sounds alarmed. I am really confused. It measures 3 inches front to back, 2 5/8 inches across.
